STAFF CONDUCT

Our supporters, investors, sponsors and local community are the reason that AFC Bournemouth exists. They should expect the best we can give. Therefore, we aim to give them the respect, courtesy and information they deserve in all dealings with the club. AFC Bournemouth is committed to providing an environment in which all staff, players, supporters and persons visiting the club are treated fairly and with respect regardless of their age, disability, gender reassignment, marriage or civil partnership, pregnancy and maternity, race, religion and belief, sex or sexual orientation. (Equality Act, 2010).

Conversely, our staff deserve respect when dealing with supporters and the club will not tolerate abusive language or behaviour directed at its employees.

MATCHDAY EXPERIENCE

AFC Bournemouth prides itself on being a welcoming club to both home and away supporters. We will strive to maintain high standards of safety and security for fans while facilitating a friendly and enjoyable matchday experience for all. Within the scope of this objective, all matchday visitors are required to adhere to the ground regulations of the Premier League. These can be found [here](#) and are displayed around the stadium. nfringements of ground regulations or breaches of the clubs Code of Conduct will be dealt with through the club Sanctions Policy which outlines the clubs approach to sanctioning supporters, how they will be informed and the role of AFC Bournemouth Incidents Panel in this process.

Our matchday safety stewards should be the first point of call in the ground if supporters have any concerns regarding their well-being, be it medical, safety, abuse or general feedback matter. Stewards will summon first aid assistance if required.

Supporters are also able to text our confidential line on 07827312697 to report an incident, providing as much information as to location and description as possible. This will be passed to the control room for monitoring and the deployment of stewards will be actioned as appropriate. Alternatively, you can email the supporter liaison officer on slo@afcb.co.uk or telephone the club on 01202 726382 if you wish to report an incident away from matchday, although this does make the investigation process potentially more difficult. Look out for the confidential text line information on your paper ticket, around the ground or on the club website.

Supporters also have recourse to use the reporting services of Kick It Out in relation to incidents of discriminatory abuse. There are a number of ways to report an incident to Kick it Out, please see below information;

Freephone - 0800 169 9414 to speak directly to a Kick it Out staff member

App - You can report an incident of discrimination via the Kick it Out app which can be used on iPhone and Android Devices.

Online - You can report an incident by filling in an online reporting form [here](#)

Our supporter services team are available around the ground to assist all supporters with any enquiries.

DEALING WITH MATCHDAY INCIDENTS

Any allegations of unacceptable behaviour or language reported to the club will be dealt with by the matchday incidents panel. It will investigate each incident fully before deciding an appropriate course of action which may include no further action, a caution, a meeting to explore educational measures, or a ban which can vary in its term. Should a matter be the subject of a Police investigation, the club will temporarily ban the relevant supporter until such time as the investigation is complete.

For the safety and security of all match attendees, the club operates a 100% personal searching policy on entry to the ground as well as a search and tag of all bags. To minimise delays, supporters are requested to only bring a small bag where absolutely necessary.

Supporters are encouraged to enter the stadium at least 45 minutes before kick-off to avoid delays. Supporters arriving within 20 minutes of kick-off should expect queues at the turnstiles.
